Production Alert: Moratorium July 15 through July 17, 2011—No filming on Caltrans property in Los Angeles County due to 405 freeway construction project.

Caltrans has planned an extended closure of the 405 Freeway between the 101 and 10 Freeways spanning the dates listed above for the demolition work on Mulholland Bridge. Caltrans requested that no filming permits be issued anywhere in Los Angeles County during this period due to expected severe traffic impacts of the region's freeways and roadways resulting from the weekend closure.

The moratorium also applies to all filming and film equipment parking requests for Caltrans facilities including Park & Rides and maintenance yards. Requests for the Caltrans HQ building downtown for July 16th/17th will be considered on a case by case basis.

Permit requests for filming on Caltrans roadways and/or facilities on or extending to Thursday, July 14th will also be considered on a case by case basis.

No exceptions will be allowed.

We apologize for any inconvenience this may cause. Thank you in advance for your cooperation.
